

CPPC

Immersion 101

Appanoose, Davis and Monroe CPPC

invites you to participate in CPPC Immersion 101

Friday, May 24, 2019

9:00am-4:00pm

(Registration begins at 8:45am)

ISU Extension and Outreach
501 N. 12th Street, Suite 4
Centerville, Iowa

Immersion 101 is an introduction to the 4 strategies of Community Partnerships: Shared Decision Making, Individualized Course of Action, Policy and Practice Change, and Neighborhood and Community Networking. Participants will be able to answer the following questions: What is a “Community Partnership for Protecting Children (CPPC)” and why do we need this approach? How is CPPC being promoted in Iowa, other states and nationally? What are the four core strategies that make up the CPPC? What local assets can be used to build and promote a CPPC in our community? They will also hear presentations, learn from discussions about each strategy, and leave able to share or present information on CPPC to the community. We welcome Shared Decision Making members, DHS staff, and Community Members interested in learning more about CPPC.

-Lunch will be provided-
