# Is your household experiencing a housing crisis?

Contact Waypoint Services' Coordinated Entry team.

Coordinated Entry (CE) is a system to connect households experiencing a housing crisis to resources and programs available in your community. This process creates equal access for all and coordinates program referrals across Iowa's housing system.

Waypoint's CE team will help you complete a short housing assessment to better understand your current needs and then work to match you with local housing resources to assist you in resolving your housing crisis.
